

Technical drawing of a mechanical part, likely a shaft or pipe, showing dimensions and labels. The drawing includes a central section with a break (indicated by a wavy line) and two end sections. Dimensions are given in millimeters (mm).

- Overall length: 1972 mm (with a handwritten correction to 2072 mm).
- Distance from left end to first break: 80 mm.
- Distance from right end to second break: 80 mm.
- Labels for the break sections: 430 E7 19 30 VTA090 19 B.

The diagram shows a mechanical assembly. A central horizontal spring, represented by a series of overlapping circles, is connected to four rectangular components. Two components are on the left, and two are on the right. Each component is labeled "80 (0)". Below the spring, there are two labels: "430 E7 19 30 VTA090 19 B". Arrows point from these labels to the two central components of the spring assembly.
